### **Bystander: A History of Street Photography - Laurence King**

Bystander: A History of Street Photography. by. Colin Westerbeck. 4.26 · Rating details · 139 ratings · 3 reviews. This work is a chronicle of the photographic genre created from the chaotic energy of everyday street life. It grew out of a 15-year collaboration between an esteemed curator and a distinguished photographer.

### **Bystander: A History of Street Photography by Colin Westerbeck**

Richard Rivera Bystander: A History of Street Photography is a book that defies easy description. It is a wide-ranging compilation of images that exemplifies the saying by photographer Elliott Erwitt, that photography "is an art of observation. It has little to do with the things you see and everything to do with the way you see them."

### **Bystander: A History of Street Photography - Elephant Kiosk**

According to Bystander, the first book done on street photography was in 1877 by John Thomson, a Scottish photographer. He titled the book: "Street life in London". Interesting to note that most of the subjects in the photographs posed for him, as the "collodion" process he used (which emphasized sharpness) needed a very slow film speed.
